

Shoreless Lake School Wisconsin

NEWS LETTER: 2nd Quarter 2018-2019

A Letter from the Principal

It is hard to believe that we are already coming to the end of the second quarter of school. Time goes so very quickly when we are learning about God and His creation. Last quarter I introduced our new teacher, Mr. Larry Schroeder. This quarter, I have included a short description of his background and his contributions to our school. We are very blessed to have him on our staff.

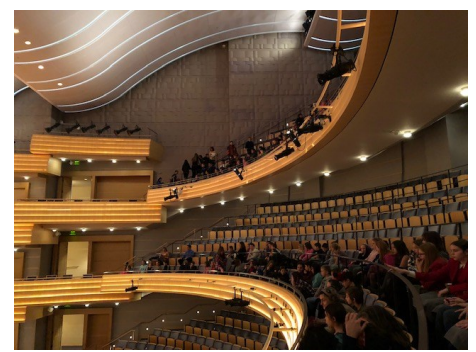

This quarter, we were privileged to attend the Madison Symphony Orchestra for our field trip. The music was beautiful, as you can imagine. Our students cleaned the Religious Education building at St. Norbert's as a community service project. We also offered our prayers for our beloved late Bishop Morlino at his funeral Mass. We will miss him greatly as he was an enthusiastic supporter of our school. Our students continue to enjoy their classes and blossom in the warm, family atmosphere of our school. I hope you enjoy this newsletter which captures many of the events of the second quarter.

2nd Quarter Field Trip:

Our second quarter field trip was a visit to the Madison Symphony Orchestra in November. Below are some pictures from that event.

Community Service

Helping others is an important aspect of our Catholic faith. Here the students are cleaning the basement of St. Norbert's Church and the Religious Education Building as a community service project.

Larry Schroeder

This is Larry's first year teaching history for the sixth and seventh grade students at Shoreless Lake School Wisconsin. He and his family have been parishioners at Divine Mercy Parish since they moved to the community from the Detroit area in 1998. His children attended St. Aloysius School and he has served on the Home and School Association Board and the Finance Council of the Parish.

Larry retired from his position as the Chief Executive Officer of Sauk Prairie Healthcare in 2017, and he had previously worked as a healthcare executive in Michigan and California. His formal education focused on Health Administration. He has been a lifelong student of history and has accumulated an extensive library. He loves sharing his knowledge and engaging with the students. He has taught Political Science at Upper Iowa University's campus in Madison, Wisconsin.

Academic Credentials:

Eastern Michigan University, Ypsilanti, Michigan, Bachelor of Science

University of Michigan, Ann Arbor, Michigan, Masters of Health Services Administration

Education is at its best when all are engaged in a supportive and cooperative atmosphere. Engaging teachers and enthusiastic students work together to increase learning. Our faith in God and respect for all He has created and provided for us attributes to the successful instruction that takes place at SLSW. Below you can see glimpses of our Science classes at work.

Left: The sixth grade honed their microscope skills during a brine lab.

Right: The seventh grade studied anatomy and physiology by dissecting a fetal pig during their

This is Shoreless Lake School Wisconsin. Although only in its third year, its Catholic centered curriculum, academic college prep courses and dedicated teachers are reaching far into the future. The family centered environment creates an atmosphere where true friendships and an attitude of concern for our fellow-man can flourish. We sincerely appreciate your prayers and support and ask you to consider contributing to this worthy cause through Mass intentions, tuition scholarships or a simple gift. We hope you will consider Shoreless Lake School Wisconsin as the school of choice for your children and grandchildren.

Shoreless Lake School Wisconsin : "Always Beyond".
